1. EMERGENCY CONTACT INFORMATION

During a major incident Management shall appoint a media release officer who will act as the point of contact for media and to provide media releases on behalf of the company. All contact with media should be through the media release officer only. Communications/Public Relations will compile a list of missing and injured people. They will coordinate the communication with the company (on and offsite) and outside officials.

1.1 Immediate Notification

The first point of contact will be the Emergency Coordinator (General Manager, Operations Manager or the WHS/ QA/ Environmental Supervisor). These numbers are listed below:

Position	Contact Phone Number
General Manager	02 8059 7200
Operations Manager	02 8059 7200
WHS/ QA/ Environmental Supervisor	02 8059 7200

With reference to incidents threatening or causing material environmental harm, immediate notification (without delay) must occur. Notification must include all agencies below (in listed order):

EPA			
Environmental Hotline	131 555	Griffith Office	02 6969 0700
NSW Health			
Albury Office	02 6053 4862	After hours	02 6053 4800
SafeWork NSW			
SafeWork NSW Hotline	13 10 50	Wagga Wagga Office	02 6933 6500
Other Services			
Temora Council	02 6980 1100	Fire & Rescue NSW	02 9742 7400, Option 7, Speak with Duty Officer

1.2 Emergency Services

Organisation	In the event of	Contact Phone Number
Emergency Services	Emergency	000
Fire & Rescue NSW	Fire or Rescue	000
State Emergency Service (SES)	Storm or Flood Emergency	132 500
